Publish your video in your class channel

A) If the video is automatically added from Zoom:

1. Login to http://mediaspace.illinois.edu

2- Once you logged in, select My Channels and the list of channel/s will show below

3- When you enter your class channel, select the + sign or “Add to Channel” link
4- A list of your videos will show, select the videos that you want to publish to your students and click “Publish”
B) If the video is saved in your computer or mobile device

1- Follow steps 1 to 3 from above

2- When the list of your videos show, click on ADD NEW and select Media Upload

3- Select your video, and Publish.
