IGET
Interest Group for Educational Technology

UNIVERSITY OF ILLINOIS AT URBANA-CHAMPAIGN

Welcome!

- From ETForum to IGET (2007-2016)

- Our IGet community members:
- Introductions and interests

- Logistics and proposed plan for iGet this year

- Learning take-away

Goal

Cultivate a community in which members engage with and learn from each other, generate new ideas and share best practices, as well as identify and help adopt technologies that advance the overall educational mission of our institution.

ETForum (our issues)

- ## Summer 2007

- What: Educational Technologists Forum (ETF)
  When: Friday, August 3
  Time: 2:30 PM - 4:00 PM
  Where: 217 Illini Union

  We will take this opportunity to talk about everyone's preparations for the fall term. What new initiatives are you working on? Interested in the Illinois Compass upgrade? How are other Moodle users setting up their systems this fall? Have you heard about the new Technology-Enhanced Teaching Certificate? Do you want to become more involved with your ETF peers and eat some yummy cookies? Please come this Friday!
