

Volunteer in Africa and Fight for Social Justice!

Did you know that 50% of people in Kenya and South Africa live on less than \$2 a day? Volunteer with Azma International and make a difference!

Azma International partners with colleges and universities in North America to offer volunteer opportunities to those interested in helping disadvantaged communities in Kenya (East Africa) and South Africa.

Come explore the world while fighting the war against poverty!

Volunteering is a great way to have a once-in-a-lifetime experience while building close relationships with those around you. With 42 different tribes in Kenya and 11 official languages in South Africa, traveling to Africa promises to expose you to a rich cultural context while teaching you life-long lessons that you can take home with you. We hope to see you soon!
