

HACU now has summer 2015 internship opportunities with Goldman Sachs.

For these specific roles, students must meet the following criteria:

- Graduate in Spring 2016
- GPA of 3.25 or above
- eligible to work in the US (citizen or permanent resident)
- Demonstrate a strong interest in Finance
- Possess superior quantitative skills
- Have excellent communication skills
- Demonstrate leadership (student organizations, athletics, or volunteerism)

If you are interested then please follow these directions.

- Email your resume to [chnip@hacu.net](mailto:chnip@hacu.net) by October 7, 2014, and include Goldman Sachs in the subject line
- Review these job descriptions (attached), and indicate your preferences
- The roles offered through HACU are primarily in Salt Lake City and New York City. Please indicate your city of preference.

Please note that if you have already applied with Goldman Sachs, then HACU is not able to refer you. Make sure you also apply online at [www.hacu.net/hnip](http://www.hacu.net/hnip) to be considered for federal internships through HACU.
