

FRESHMEN, SOPHOMORES, & JUNIORS: The ECS Winter 2014-2015 Job Shadow Program Awaits!

Don't miss out on this valuable career exploration program!

The Engineering Career Services (ECS) Winter Break Job Shadow Program provides a valuable opportunity for you to engage with a company, establish your professional network, and explore potential career opportunities! **Job Shadows involve a one-day commitment over winter break (between January 5-16, 2015)** and offer real world experience you can include on your resume – just in time for spring career fairs!

The ECS Job Shadow Program is open to all Engineering majors as well as LAS majors with an Engineering affiliation. This important career exploration program includes opportunities with a broad selection of U.S. companies, coast-to-coast, who hire engineering students.

Eligibility: Freshmen, Sophomores, or Juniors enrolled in the College of Engineering or the College of Liberal Arts & Sciences majors with an Engineering affiliation are eligible for participation in the ECS Winter 2014-2015 Job Shadow Program.

To apply for Job Shadow opportunities between October 20-29, you must first RSVP via I-Link and attend one of the Job Shadow Information Sessions listed below:

- **Friday, October 24** -- Noon -- 2240 Digital Computer Lab (DCL)
- **Monday, October 27** -- 3:00pm -- 305 MSEB
- **Tuesday, October 28** -- 4:30pm -- 114 TB
- **Wednesday, October 29** -- 4:00pm -- 106B6 Engineering Hall
