

HACU has internship and full time opportunities with Hormel at their headquarters in Austin, Minnesota. Please read the attached About Hormel flier to learn more about the company. In addition, please review the Hormel Recruiting Matrix to learn what majors they are looking for.

The goal of the internship is to be a pathway to full-time employment; therefore, Hormel is only interested in applicants that would like a career opportunity at their headquarters in Austin, Minnesota.

If you are interested in career opportunities with Hormel, then please email your resume to Mario.Gonzalez@hacu.net, and include Hormel in the subject line.

Applicants must meet the following criteria:

- Graduation date in the Spring of 2016 or 2017 (for internship roles)
- Spring 2015 graduation date (for full hire roles)
- GPA of 3.0 or above
- Eligible to work in the US (citizen or permanent resident)
- Majors: Business, Engineering, Agriculture

If you are not selected by Hormel, then as long as you have completed the online application (www.hacu.net/hnip) you will still be considered for federal internship placement.
