

UNIVERSITY OF CALIFORNIA, BERKELEY

SUPERB-ITS 2015

Computer Science - Information Technology for Sustainability

Summer Undergraduate Program in Engineering Research at Berkeley

Department of Electrical Engineering and Computer Sciences

Program Description

- 9-week research experience: **June 7 – August 08, 2015**
- Research guided by faculty mentors and graduate students
- Educational activities include lab tours and industry field trips
- Graduate school advising and GRE prep course

Exciting research projects to solve environmental problems:

- Smart phones for monitoring energy efficiency
- Distributed solar thermal generation & storage
- Data mining for optimizing building efficiency
- and much more!

-\$4,500 Stipend

-Travel Allowance

-Room and board provided at International House

Application Process

On-line application:

<http://www.eecs.berkeley.edu/Programs/ugrad/superb/superb.html>

- Application deadline: February 15, 2015
- Must be a US Citizen or Permanent Resident
- A minimum overall GPA of 3.0 is required with upward trends in grades being preferable
