CALL FOR STUDENT POSTERS

Abstract Due Date: Monday March 9, 2015

Abstracts should be limited to 400 words.

Submit to: don.mueller@ipfw.edu

We are accepting short abstracts from students or student teams who would like to present a poster on their research topic, class project, or other educational experiences. This is the ideal event for students to showcase what they are doing at their institutions and to interface with other students.

Students can submit the poster title, author(s), faculty advisor(s), university/department, and a brief abstract to Dr. Don Mueller at don.mueller@ipfw.edu.

All poster presenter(s) must register for the conference. The \$25 student registration includes breakfast and lunch on Saturday, March 28th.

Students wishing to also attend the 12th Annual Opportunity Banquet on Friday evening March 27, featuring keynote speaker retired astronaut Robert Lee "Hoot" Gibson, can attend the event for an additional \$25.
