Volunteer with ENVISION!

**Who we are:**

ENVISION is a group of graduate ENgineers Volunteering In STEM EducatION. We seek to increase the opportunity of STEM outreach for engineering graduate students at the University of Illinois.

**Spring 2019 Events:**

1) Urbana Middle School SPLASH sessions *(Jan 23-March 7th, Wednesdays 3:45-5:30 pm)*: join us as we guide middle school students in making sugar crystals, building catapults, making electric circuits, building bridges, and developing baking soda powered cars!

2) King Elementary School Math and Science Night *(March 5th, 6-7 pm)*: we will be teaching kids how to make home-made ice cream, and the science behind the process!

3) Engineering Open House/Beckman Open House *(March 8th, 9 am-4 pm; March 9th, 9 am-3 pm)*: ENVISION will be teaching the community about 3D-printing using 3D pens! (Note: to receive your open house t-shirt and free lunch, please sign up as a volunteer by Feb. 13th)

4) Champaign Public Library 3D Pens event *(March 25th, 3-4:30 pm)*: Join ENVISION in leading fun hands-on activities with 3D pens!

5) iSTEAM live *(April 27th)*: We are partnering with the Principal Scholars Program (PSP) for a full day conference for middle school students from across the state!

If you are interested in volunteering for any of these events, sign up here!

*** If you have signed up for our list-serv and do not receive the emails, or if you would like to sign up for our list-serv for the first time, please contact Parinaz Fathi (pfathi2@illinois.edu)***
