

Mavis Future Faculty Fellows (MF3) Program Capstone Experience Form

MF3 fellows are required to complete a capstone experience that will concentrate their professional development in a self-directed area. All capstones must be pre-approved by the end of fall semester and completed by the last day of the spring ENG 591 MF3 seminar course. Please complete this form for pre-approval no later than December 15th and drop it off at 400 Engineering Hall or emailed to rmcelroy@illinois.edu.
