# A Unique — Experience

Nothing beats being part of the University of Illinois community. That's why we are hosting a Creative Jam, an event where we get together to listen to thought leaders share inspiring stories, and student teams compete in a tournament that puts their creative skills to the test using the Adobe Creative Cloud.

There are plenty of ways to get involved — compete and show off your skills, get inspired by design luminaries, or connect with friends — there's something for everyone. **So, what are you waiting for? Join us to compete on March 14 from 3pm to 8pm win prizes! Sign up at <https://cjam.in/illinoisjam>**
