## STUDENT EVALUATION COMMENTS

SEMESTER: SPRING 2012  
COURSE: ENG 215-01  
INSTRUCTOR: GALLAGHER, JOHN  
DIVISION: HUMANITIES

### COMMENTS:

1. Best instructor here.
2. He made the class worth going to. The only class I didn't mind attending. Wonderful teaching styles.
3. Great job at teaching.
4. This class is so much better than high school English!
5. John is excellent in starting the flow of conversations and is passionate to the themes of the class.
6. Different variety of books/movies. Maybe shy away from the Marvel Comics and maybe use some more scholarly books/films.
7. The class was very interesting. The teacher was very informative and interesting.
8. I enjoyed the class very much, however I would have liked to have discussion on text/movies before responses were due.
9. I loved this course, I loved the format, and I loved the content. John knows what he is talking about and I hope he continues to develop his new conventions of teaching.
10. The class has prepared me for what to expect in the future as an English major.
11. Excellent, eye-opening course. The breadth of material covered was fantastic. Would recommend this instructor to anyone looking for an English class.
12. Found John to go above & beyond course material in explaining concepts. The experience in class felt more personal & rewarding. Friendly, open, & approachable.
13. He opened my mind to different concepts.

### COMMENTS:

1. Great job John!
2. Don't assign so many papers on essays no one can understand. I couldn't read any of them because they were so hard.
3. This class is so much better than high school.
4. Great professor, I learned a lot about how to interpret different types of readings.
5. I hate the course, but I loved the teacher. He never talked down to us or made us feel stupid. He's a great teacher, but the course is torture.
6. Prof. Gallagher was a great teacher, even when dealing with students that didn't understand. I wish I took the class more serious because I enjoyed his teaching methods.

## STUDENT EVALUATION COMMENTS

SEMESTER: SPRING 2011

COURSE: ENG 102 11

INSTRUCTOR: GALLAGHER, JOHN

DEAN: CURRIER

### COMMENTS:

1. Great class, solid experience.
2. Great teacher would take class again from instructor.
3. Don't make anyone read watchmen – worse thing ever – otherwise good class.
4. Too much reading; not enough time to fully comprehend the ideas presented from the reading.
5. Great class to actually learn how to write college level essays.

## STUDENT EVALUATION COMMENTS

SEMESTER: SPRING 2011

COURSE: ENG 205 01

INSTRUCTOR: GALLAGHER, JOHN

DEAN: CURRIER

### COMMENTS:

1. He was a very good teacher but sometimes he had a bad attitude.
2. I believe he was fair and attentive as a professor.
3. Although the professor was fair, I could tell he was new in his techniques, which showed his need for improvement.
4. Disappointed I took this course, more frustrating than anything – instructor's opinions were forced on class.
5. Excellent class – would recommend to other students – the course was very interesting.
6. Small business project should be told at beginning of semester.
7. Great professor. Really cares about the student.
8. A very very good professor. Highly recommended! ☺
9. Small business project should have been something to pass in step-by-step, as opposed to overwhelmingly all-at-once.
10. Course did not meet expectations.
11. Instructor brings his own unique insight to the class and is keenly aware of his own strengths and weaknesses.
12. The vague nature of some of the assignments was quite frustrating at times, though I understand the reasoning. Overall the class was good and I appreciate the room for creativity.☺ Never using powerpoint again.

## STUDENT EVALUATION COMMENTS

SEMESTER: FALL 2010  
COURSE: ENG 101-14  
INSTRUCTOR: GALLAGHER, JOHN  
DEAN: CURRIER

### COMMENTS:

1. He was a very good instructor. I enjoyed his style of teaching and think it was very effective. Sometimes he is a tough grader. I would definitely take a course with this instructor again.
2. I felt he was an overall fantastic teacher. I just felt a little uneasy asking questions in and outside of class.
3. This class caused me to think and work extra hard on the assignments. It challenged me in a good way. Also helped me write papers for other classes not just this class.
4. Thanks John. This was a great class coming into this class I was not completely comfortable with writing but now, taking this course, it has helped tremendously with my writing style. I think that your teaching style moves for a perfect learning environment for students. This semester was great thanks for all of your help!
5. Very stimulating class. I enjoyed writing the assignments. If anything, I wish there were more of them.
6. Great teacher!
7. I think John is a great teacher. I thought he explained the course very well. He really motivated his students to do well in class. He also made the course very fun with all the open talks we had about topics. All and all this was a great class and if I was to move on in English I take this course again.
8. Honestly I couldn't have asked for a better professor when it came to taking English. John is not only a highly intelligent motivated instructor, but he is also caring and understanding towards his students. Each day I actually wanted to come to class because I knew that I would come out at the end of class feeling ambitious and pleased at what new things I may have learned. He wasn't an easy professor, but he was very fair with everything that was graded, which goes a much long way. I feel like in his class I had a voice; one that surprisingly made me want to participate in class. I'll just leave it at John was an excellent professor.  
☺
9. Professor Gallagher was a very helpful and thought provoking teacher. He made himself readily available to students by exchanging contact information in case we needed to ask questions regarding assignments. He was very fun, and lively. Excellent speaker; explained material for all learning styles very well. I would

take another class with him for sure. This class challenged you to write exactly what you're thinking. Very fun and useful.

10. I really enjoyed having class with Professor John Gallagher. My writing has increased tremendously since high school. He taught us about MLA citations; in which he spent a full week on. Also went into depth about MLA. We were encouraged to think critically; in very class. Some examples was when we listened to "third eye blind" and wrote down what we thought the song meant. He did that because we were going over theses: so he was trying to activate that we need to have a focused thesis when writing. I enjoyed his class and hope to have him again!
11. As a Freshman John's style of teaching was much different from what I had become accustomed to in high school. This was a very refreshing change. I enjoyed the assignments and the way they were presented (Intro activity, explanation, etc.) helped make the assignments more enjoyable. The class helped me to understand concepts in writing that was never clear to me before. John's modern, realistic and knowledgeable approach to teaching helped not only to make the subject matter more interesting it also made the class very enjoyable.

## STUDENT EVALUATION COMMENTS

SEMESTER: SU 2 2010  
COURSE: HUM 231 25  
INSTRUCTOR: GALLAGHER, JOHN  
DEAN: CURRIER

### COMMENTS:

1. He was an enthusiastic teacher and brought the interesting back to learning.
2. Very well done, enjoyed the class and instructor. Kept me thinking about many new ideas, amazing.
3. Very well organized class with an open format and enthusiastic professor. Not a full semester long class though. Should keep to summer.
4. Professor Gallagher has taught me a new way of thinking and coordinating a book of a different topic with movies. This has been one of my favorite courses @ QCC.
5. I sometimes it was a bit more structural but I think that was the purpose of the class to expand the way you think and do things.
6. The instructor's enthusiasm is contagious – discussions were ind dry or misdirected – well done.

## STUDENT EVALUATION COMMENTS

SEMESTER: SPRING 2010  
COURSE: ENG 101 13  
INSTRUCTOR: GALLAGHER, JOHN  
DEAN: CURRIER

### COMMENTS:

1. You are one of the best teachers I have had. I wish I could keep taking your English classes but I will be taking my last one online during the summer.
2. This is a very unique learning environment and students will walk away with more than just basic knowledge.
3. This is probably the only English class I've ever had that not only didn't suck, but that I felt like I learned something in. The class atmosphere was very welcoming and his teaching method was excellent.
4. Instructions were clear but the intended objective was sometimes vague.
5. Good teaching techniques, less writing preferred.
6. Overall a great class.

## STUDENT EVALUATION COMMENTS

SEMESTER: SPRING 2010  
COURSE: ENG 101 20  
INSTRUCTOR: GALLAGHER, JOHN  
DEAN: CURRIER

### COMMENTS:

1. Great professor! Do all student understand question 1 – 9?
2. I found that Professor Gallagher definitely made me a better writer. That went for whole class as well. When we did essays he expected them to be turned in on the date given. He also made the class interest and fun. I would absolutely take his class again as well as suggesting him to other friends taking English 101. I was very fortunate to have him as a teacher. I learned a lot from the essays issued. I had gotten a bad grade on one essay and given a make-up day & learned getting a bad grade was very important. I learned a lot from that. Corrections needed etc. So a bad grade can lead to great opportunities. The average person wouldn't think so. However, it was awesome for me.
3. Very good teacher.
4. Great teacher.
5. Prof. Gallagher is a great teacher. I was constantly putting thought/my own perspectives on my writing.
6. The way he teaches is very fun and entertaining. Along with enjoying the class I learn a lot as well.
7. He is a very good teacher and always make the classes fun & it is a good learning environment.
8. Excellent professor who enjoys what he does, and gives every effort to make the class interesting, and educate his student.
9. Enjoyed the course a lot and would take a class taught by him again.

## STUDENT EVALUATION COMMENTS

SEMESTER: SPRING 2010

COURSE: ENG 205 01

INSTRUCTOR: GALLAGHER, JOHN

DEAN: CURRIER

### COMMENTS:

1. This class exceeded all expectations. He put a lot of time into helping us with our questions without doing the work for us. I really had to think in this class.
2. He was very relatable and easy to get along with. Not only did he care if a student did well, he also seemed to really want them to succeed.
3. I like how you give every student a chance to succeed. I learn a lot in this course.
4. Pretty good class.
5. Great course, I really enjoyed it. It was one of the most useful courses of my semester. The teaching was very good and helped me learn to do new things.
6. Can clearly tell hes a new teacher, hes good! But not experienced. Need more quizzes & tests. Liked how he was laid back though. Good personality.
1. Learned a lot of good material that wasn't taught in any previous classes. Examples, cover letters, resume's (especially) and grant writing. Group projects were not ideal as some classmates are unreliable. Enjoyed coming to class every day.
2. Prof. G. was very helpful I thing to all students' needs. I would definitely take his courses and recommend them to other students.

## STUDENT EVALUATION COMMENTS

SEMESTER: FALL 2009  
COURSE: ENG 101-15  
INSTRUCTOR: GALLAGHER, JOHN  
DEAN: CURRIER

### COMMENTS:

1. This was one of the greatest Eng classes I have ever taken. Before this class I was clueless. And now I have a great understanding for how to write essays , and thesis. Thank you.
2. John Gallagher's technique of teaching and presenting is up to date and more modern. He invites the students to want to take part in an assignment. Very good at what he does.
3. Great professor, I really learned a lot. He was very helpful and answered most or all of the questions that I had. He seems to really enjoy teaching and seems to have a lot of fun with it.
4. John is a excellent instructor and my favorite that I have. He has taught more about writing in the short time I've been here than I learned in all four years of high school. Not only would I take another course from him but I will go to him if I have issues in other classes. I hope to take another course with John.
5. Mr. Gallagher is my favorite teacher at QCC. I feel like he sincerly wants to make us better thinkers and writers. He is always available to answer questions we might need and I really feel like us growing is his priority. He has belped me so much with this 2<sup>nd</sup> with time management.
6. I find this professor/instructor valuable to QCC. I would suggest QCC to extend his invitation to teach other courses besides ENG 101, I would be extacic to take this instructor in ENG 102. I have learned the most form this instructor.
7. John is an excellent professor. I've learned a lot form this course, more than all of high school. I think that the papers shouldn't be penalized for being late due to a sickness over the weekend, since we cannot email papers.
8. I cannot think of a single negative comment for this class. It always kept my interest and made me think. I really enjoyed it for these reasons. I loved this class even tho I haven't always taken education seriously, this classy teacher made me take a serious look at my education. This is a perfect standerd for all teachers to be like. John Gallagher is a brilliant and creative individual who has a great grasp of teaching.
9. Personally, I enjoyed this course very much so mainly for the way John taught the material. It was a unique teaching style in which I grasped information very easily. Each class had a purpose and transitioned very smoothly. I obtained a lot of information from this course.

10. Very good instructor, makes learning fun and class enjoyable.
11. This was a great class and I feel that it helped me to increase my writing skills.  
Also, I believe that the Instructor's attitude and enthusiasm toward English made the class more enjoyable.
12. John Gallagher is one of the best teachers I've ever had. He taught the course excellently.
13. This course was a big learning experience for me and showed me different ways to learn and push myself.
14. John is a great prof. His teaching method involves thinking and criticism he brings different ways to make us think/analyze situations. He cares for his students individually and I would take more course with him in the future.
15. Professor understands his students better than most teachers I've had and changes his teaching style to help the whole class understand better.

## STUDENT EVALUATION COMMENTS

SEMESTER: FALL 2009

COURSE: ENG 101-36

INSTRUCTOR: GALLAGHER, JOHN

DEAN: CURRIER

### COMMENTS:

1. For #17, I meant very good. Very helpful and interactive. Responds well to students. I would definitely take another class, just not in the morning.
2. John has a more fresh and original way of teaching Eng 101. He makes it interesting but can sometimes be a little vague...
3. Used hand ons, very visual. Related to students and life. Very good method and teaching method. Also funny and like one of us.
4. This class is extremely interesting and I have definitely learned a lot in it. I have discovered that writing is more than just writing. I will deffinitly be looking for course that involves the instructor.
5. This does not have my name on it so I will tell you. Its not that I embarrassed by any means it's something I just keep to me. I enjoy writing poetry. An having these papers and different styles of writing allow me to express and produce new forms and different positions in my writing...thank for helping.
6. The teacher is amazing at what he does. I've never liked English as much as I have this year.
7. Overall, I thought he was a very good instructor. I feel more confident in my writing and I feel like I learn a lot.
8. One of the best English that I have had so far. The style of his teaching struch a cord with mainly for the reason that I don't procrastinate as much as I usually do.
9. I have really enjoyed this class so far, just because the entire class environment was conducive to new ideas, thinking and learning. I still don't fully understand embedding + citing, though.
10. He is a very good instructor and knows what he is talking about. I find him very helpful in helping me to understand not only other peoples writing but my own. He has opened new doors in terms of writing. I would deffinately take another course from him.
11. The focus of this class was clearly more writing based rather than literature based, which I found extremely helpful in my ability to become a better writer, however there could be a slight bit more in the reading of literature to this class.
12. I enjoy this English class and have a better understanding for the writing styles we were taught. He understands his students which makes it easier to learn.
13. Great class – learned a lot & I feel very confident moving onto Eng 102! Would definitely take this class again.
