**Education**

May 1989: University of Illinois at Urbana-Champaign: Ph.D. in Linguistics (Dissertation: *A Restrictive Theory of Morphosyntactic Interaction and its Consequences*, Peter Cole, advisor)

May 1985: University of Illinois at Urbana-Champaign: M.A. in Linguistics

March 1980: Seoul National University: B.A. in English Language and Literature (*Magna Cum Laude*)

**Academic Appointments**

Aug 2009-:

Professor, Department of Linguistics, University of Illinois, Urbana-Champaign  
(Faculty affiliate in the Center for East Asian and Pacific Studies)

Aug 1997 – Aug 2009:

Associate Professor, Department of Linguistics, University of Illinois, Urbana-Champaign  
(Faculty affiliate in the Center for East Asian and Pacific Studies)

Mar 1996 - Feb 1999:

Assistant Professor, Department of English, and the Interdisciplinary Program in Cognitive Science, Seoul National University, Seoul, Korea

Aug 1991 - Aug 1997:

Assistant Professor, Department of Linguistics, University of Illinois, Urbana-Champaign  
(Faculty affiliate in the Center for East Asian and Pacific Studies)

Aug 1989 - Aug 1991:

Visiting Assistant Professor, Department of Linguistics, University of Illinois, Urbana-Champaign

Oct 1988 - Sep 1989:

Visiting Assistant Professor, Department of Linguistics, University of Chicago, Chicago, IL

### **Short-term Teaching Appointments by Invitation**

Jan-Dec 2016:

Visiting Professor (International Scholar), School of English, Kyunghee University, Seoul, Korea

March 2016:

Visiting Professor, Department of Linguistics, Seoul National University, Seoul, Korea

August 2007-August 2009:

Special appointment to the Graduate Faculty of the Program in Linguistics, Purdue University, West Lafayette, IN

June-August 2003:

Linguistic Society of America Summer Linguistic Institute faculty, Michigan State University, East Lansing, MI

June-August 2001:

Linguistic Society of America Summer Linguistic Institute faculty, University of California, Santa Barbara

June-August 1999:

Linguistic Society of America Summer Linguistic Institute faculty, University of Illinois, Urbana-Champaign

June-August 1997:

Linguistic Society of America Summer Linguistic Institute faculty, Cornell University, Ithaca, NY

### **Administrative Appointments**

Head, Department of Linguistics (Spring 2011- )

Interim Head, Department of Linguistics (Fall 2010)

Acting Head, Department of Linguistics (Fall 2007, Spring 2010)

Associate Head, Department of Linguistics (Fall 2004-Spring 2010)

Acting Associate Head, Department of Linguistics (Fall 2002-Spring 2003)

Director of Graduate Studies, Department of Linguistics (Fall 2004-Spring 2007)

Acting Undergraduate Advisor (Spring 2008)

## Graduate Student Supervision and Placement

### Thesis Advisor (Ph.D):

1. Rakesh Bhatt (1994, UIUC, *Word Order and Case in Kashmiri* – currently Professor and Associate Head, Department of Linguistics, University of Illinois, Urbana-Champaign)
2. Ali Darzi (1995, UIUC, *Word Order, NP-Movements, and Opacity Conditions in Persian* – currently Professor, Department of Linguistics at the University of Tehran, Iran)
3. Byong-Kwon Kim (1996, UIUC, *Extraction and Coordinate Structures* – currently Professor, Department of English Language, Youngsan University, Korea)
4. Huei-Ling Lin (1998, UIUC, *Complex Predicates and Argument Structures in Mandarin* – currently Professor, Department of Foreign Languages and Literatures, National Chung Cheng University, Taiwan)
5. Eung-Cheon Ha (1998, Seoul National University, *Reconstruction and Scope Interpretation in English* – currently Professor, Department of International Trade and Interpretation, Geumgang University, Korea)
6. Yasufumi Iwasaki (1999, UIUC, *Three Subcategories of Nouns in Japanese*, – currently Teaching Associate Professor of Japanese, Department of Modern Languages, Carnegie Mellon University)
7. Jungmin Jo (2004, UIUC, *Grammatical Effects of Topic and Focus Information* – currently Professor, Department of English Education, Suncheon National University, Korea)
8. Chongwon Park (2005, UIUC, *A Computational Theory of Mixed Categories and Its Implications*, co-advised with Chin-Wu Kim – currently Professor, Department of English, Linguistics and Writing Studies, University of Minnesota-Duluth)
9. Keun Young Shin (2007, UIUC, *Partitive Structures*, co-advised with Peter Lasersohn – currently Assistant Professor, Department of English Language and Literature, Chonnam National University, Gwangju, Korea)
10. Youngju Choi (2007, UIUC, *Dependent Marking Parameter: Coordination, Clefting, Scrambling, and Fragments in Korean and Japanese*—currently Professor of English at Chosun University, Gwangju, Korea)
11. Yunchul Yoo (2008, UIUC, *High Accusatives in Korean and Their Implications for Japanese*)
12. Juhyeon Hwang (2008, UIUC, *Negative Sensitive Items: Conditions, Constraints, and Consequences* – co-advised with Peter Lasersohn—currently Associate Professor at Hanyang University, Ansan, Korea)
13. Bo Kyoung Kim (2009, UIUC, *Adverbial Case-marking in Korean*, Lecturer of Korean, Emory University)

14. Wooseung Lee (2009, UIUC, *The Role of Case-marked Noun Phrases in Clause Structure Building*—currently Associate Professor, Department of English Education, Konkuk University, Seoul, Korea)
15. Myeong Hyeon Kim (2019, UIUC, *Processing of canonical and scrambled word orders in native and non-native Korean* — co-advised with Tania Ionin)
16. Eun Hee Kim (2019, UIUC, *Interpretation and processing of overt pronouns in Korean, English, and L2 acquisition*—currently Assistant Professor of Korean, Michigan State University; co-advised with Tania Ionin)
17. Teruaki Muto (in progress, UIUC, *Two Grammars in Competition: An Optimality-theoretic Approach to Intra-sentential Code-switching* – co-advised with Rakesh Bhatt)

Chair of Ph.D Committee:

1. Jinsuk Byun (2006, UIUC, *The Effect of Output Practice on the Automatization of Korean Morphosyntax Rules*-- advisor: Kim McDonough--currently Assistant Professor, TESOL program, Alliant International University, San Diego, CA)
2. Ji-Hye Kim (2007, UIUC, *Binding Interpretations in Adult Bilingualism: A Study of Language Transfer in L2 Learners and Heritage Speakers of Korean* – advisor: Silvina Montrul – currently Associate Professor, Department of English Education, Korea National University of Education, Chongju, Korea)
3. Ji Hyon Kim (2008, UIUC, *Working Memory Effects on Relative Clause Processing* – advisor: Kiel Christianson—currently Associate Professor, School of English for Translation and Interpretation, Hankuk University of Foreign Studies, Korea)
4. Heeyoun Cho (2010, UIUC, *Coreference Processing in L1 and L2*—advisor: Kiel Christianson—currently Lecturer, College English Program, Seoul National University)
5. Benjamin Slade (2011, UIUC, *Formal and Philological Inquiries into the Nature of Interrogatives, Indefinites, Disjunction and Focus in Sinhala and Other Languages* —advisor: Hans Hock—currently Associate Professor, Department of Linguistics, University of Utah)
6. Eunseon (Eunice) Chung (2013, UIUC, *Exploring the Degree of Native-likeness in Bilingual Acquisition: Second and Heritage Language Acquisition of Korean Case Ellipsis*—advisor: Silvina Montrul – Research Professor, Hankuk University of Foreign Studies)
7. Adriana Molina Muñoz (2018, UIUC, *A Quantitative and Qualitative Analysis of Competing Motivations Interacting in the Placement of Finite Relative Clauses in Hindi*—advisor: Hans Hock – Postdoctoral researcher, Oxford University, UK)

PhD Committee Member: (year, degree institution, current institution (if known))

1. David Wible (1990, UIUC, currently at National Central University, Taiwan) - on Chinese syntax and phrase structure theory
2. Xin-ping (Peter) Zhou (1990, UIUC, currently at University of California, Berkeley) - on Chinese syntax and ergativity
3. Li-May Sung (1990, UIUC, currently at National Taiwan University, Taiwan) - on reflexives in universal grammar
4. Chun-yin (Doris) Chen (1991, UIUC, currently at National Taiwan Normal University, Taiwan) - on extraction constraints in syntax
5. Jae-Oh Choi (1992, NYU, Linguistics) - on case theory and Korean syntax
6. Sei-Kyung Cho (1992, UIUC, Kyunghee University, Korea (emeritus)) - on second language acquisition of English by Korean speakers
7. Han-Gyu Lee (1992, UIUC, currently at Kyunghee University, Korea) - on the syntax-pragmatics of discourse particles in Korean
8. Youngsuk Lee (1993, University of Pennsylvania) - on Case and scrambling
9. Eun-Kyung Han (1993, Library Science, UIUC) - on automated indexing algorithms
10. Jang-Song Lee (1994, UIUC, Armed Forces Academy of Korea (emeritus)) - on Korean semantics
11. Aziz Diop (1994, UIUC, currently at Delaware State University) - on Fula phonology and morphology
12. Rosa Jinyoung Shim (1994, UIUC) - on second language acquisition theory
13. Timothy Williams (1995, UIUC) - on a pragmatic theory of control
14. Sonoko Sakakibara (1995, UIUC) - on a pragmatic theory of reflexive binding in Japanese
15. Mbulelo Jokweni (1995, UIUC) – on Bantu phonology-morphology
16. Iwona Kraska-Szlenk (1995, UIUC, currently at University of Warsaw, Poland) – on Polish morphophonology
17. Paul Mandell (1996, Spanish, UIUC, currently at University of Houston) - on second language acquisition of Spanish
18. Saeyon Cho (1996, UIUC, currently at Kangwon National University, Korea) - on nonconstituent coordination and gapping
19. Chul-Woo Park (1997, Linguistics, SNU, currently at Anyang University, Korea) - on topic and focus in Korean
20. Eunha Jung (1998, UIUC, currently at Olympic College, WA) - on second language acquisition theory
21. Jonghyun Kim (1998, Linguistics, SNU) – on echo questions in Korean
22. Shin Kang (1999, Linguistics, SNU, currently at Dankook University) – on Mongolian morphosyntax
23. Hiroki Koga (2000, UIUC, currently at Saga City University, Japan) – on Japanese case-marking
24. Sun Lee (2001, Educational Psychology, UIUC) – on second language writing strategies

25. Yonghun Lee (2003, UIUC, currently at Chungnam National University, Korea) – on computational analysis of anaphora
26. Rajesh Kumar (2003, UIUC, currently at IIT-Madras, India) – on Hindi negation and negative polarity items
27. Brent Henderson (2006, UIUC, currently at University of Florida) – on relative clauses in Bantu
28. Hyunju Park (2006, UIUC, currently author) – on language contact between English and Korean
29. Sujung Park (2006, Educational Psychology, UIUC) – on classroom L2 instruction
30. Diana Chin (2006, Spanish Italian and Portuguese, UIUC) – on L2 acquisition of aspect
31. Margaret Russell (2006, UIUC, currently at US Government) – on Wolof morphosyntax
32. Aimee Alnet Johnson (2008, UIUC) – on the grammar of Shimaore
33. Jeong-Ah Shin (2008, Educational Psychology, UIUC, currently at Dongguk University, Korea) – on bilingual syntactic priming
34. Archana Bhatia (2011, UIUC, currently postdoctoral researcher, Carnegie Mellon University) – on coordinate structures in Hindi
35. Hsin-yi Dora Lu (2011, UIUC) – on sentence processing in Chinese
36. Hoshin Koak (2012, Rutgers University) – on case-marking in Korean
37. Eunah Kim (2014, UIUC, currently at Seoul National University) – On L2 sentence processing
38. Soondo Baek (2014, UIUC, currently at Kookmin University, Korea) – On L2 sentence processing
39. Youngsun Lee (2015, UIUC, currently associate pastor, First United Methodist Church, Dixon, IL) – Code-switching among heritage Korean speakers
40. Jenna Kim (2017, Curriculum&Instruction, UIUC)—Language contact and globalization in South Korea
41. Seongeun Park (2017, UIUC, currently at Ewha Womens' University)—Semantics of temporal expressions
42. Matthew Maddox (2019, Spanish & Portuguese, UIUC)—Grammaticalization and clitics in Romance languages
43. Daniel Ross (defended, UIUC) – serial verbs and pseudo-coordination
44. Seahee Choi (ABD, In progress, UIUC)—Count/mass distinction in second language acquisition
45. Chung-yu Chen (ABD, In progress, UIUC)—Heritage Chinese and L2 Chinese acquisition
46. Mien-Jen Wu (ABD, In progress, UIUC)---Scope interpretation in L2 Chinese-English
47. Emily Chen (ABD, In progress, UIUC)—Computational morphology of St. Lawrence Island Yupik

Pre-dissertation advisor

Chae Eun Lee (UIUC)

M.A. Thesis Advisor:

1. Po-On Siu (1992, UIUC)

2. Ju-Ho Park (1997, Seoul National University)
3. Jongsup Jun (1998, Seoul National University)
4. Bohyun Kim (2008, Purdue University)

M.A. Qualifying Exams supervised:

Over 40 at UIUC (Linguistics, Spanish & Portuguese, East Asian Languages and Cultures)

Undergraduate research supervised:

1. Erica Sujin Kang (Linguistics, UIUC)
2. Michelle Carver (Psychology, UIUC)
3. Grace Moran (Linguistics, UIUC)
4. Daniel Chen (Linguistics, UIUC)
5. Kari Schwink (Linguistics, UIUC)
6. Damian Carter (Linguistics, UIUC)
7. BeomGyu Park (Psychology, UIUC)
8. Zehua Chen (CS+Linguistics, UIUC)
9. Emma Santiago (Linguistics, UIUC)
10. Chenshilong Sun (CS+Linguistics, UIUC)
11. Ziqi Huang (CS+Linguistics, UIUC)

**Books (Authored or Edited):**

Under contract: (with Chongwon Park)

*A Dialogue on Korean syntax: A Comparative Analysis of Generative and Cognitive Linguistics*  
(tentative title), John Benjamins

In progress: (with Hee-Rahk Chae, Chungmin Lee)

*A Cambridge Grammar of Korean*, Cambridge University Press

2011: (Co-edited with Jae-young Han, Yongsoon Kang and Chung-Kon Shi)

*Inquiries into Korean Linguistics-IV*  
Thaehaksa, Seoul, Korea

2007: (Co-edited with Sang-oak Lee and Choong-Yon Park)

*Promenades in Language: To honor Professor Chin-Woo Kim—Essays on the Occasion of His Retirement*  
Hankookmunhwasa, Seoul, Korea

1999: (with Byung-Soo Park and Kisun Hong);

*Modern Theories of Grammar (Hyuntay Mwu~~n~~peplon)* (written in Korean)  
Volume 11 of the New English Linguistics Series, Hankookmunhwasa, Seoul, Korea

(Included in the Year 2000 “Outstanding Scholarly Book” list of the Ministry of Culture and Tourism, Republic of Korea)

1989: *A Restrictive Theory of Morphosyntactic Interaction and Its Consequences*, Hanshin Publishing Company, Seoul, Korea.

#### **Edited Journal Special Issues and Proceedings:**

2017: (with Kunio Nishiyama)  
Special Collection on Suspended Affixation, *Glossa*  
([www.glossa-journal.org/collections/special/suspended-affixation](http://www.glossa-journal.org/collections/special/suspended-affixation))

1998: (with Byung-Soo Park);  
*Selected Papers from the 11th International Conference on Korean Linguistics*,  
Hankookmunhwasa, Seoul, Korea.

1996: (with C.C. Cheng and Jerry Packard);  
*Selected Papers from the 9th North American Conference on Chinese Linguistics*,  
(Volumes 26.1-2 of the *Studies in the Linguistic Sciences*)

1994: *Proceedings of the Fifth Annual Meeting of the Formal Linguistic Society of Midamerica*  
(Volumes 24.1-2 of the *Studies in the Linguistic Sciences*)

1991: (with Chin-W. Kim and Jerry Morgan);  
*Illinois Studies in Korean Linguistics II*  
(Volume 21.2 of *Studies in the Linguistic Sciences*)

### **Invited Talks**

- 2021 (April)  
TBA  
Invited talk, Korean Linguistics in Crosslinguistic Context, Cornell University, Ithaca, NY
- 2021 (September)  
"Assessing lexical nominalizations: Derivation, polysemy, and nominalizer uniformity",  
Department of Linguistics, University of Buffalo
- 2019 (October 21)  
"Lexical nominalizations in Korean: Implications for unified theories of nominalizations,"  
Invited talk, Department of English Language and Literature, Dongguk University, Seoul, Korea
- (September 26)  
"Lexical nominalizations in Korean: Implications for unified theories of nominalizations,"  
Invited talk, Department of English, Linguistics, and Writing Studies  
University of Minnesota, Duluth, MN
- (April 26)  
"Lexical nominalizations in Korean: Implications for unified theories of nominalizations,"  
Invited talk, Departmental colloquium, Department of Linguistics, Southern Illinois University,  
Carbondale, IL
- (Mar 29-30)  
Invited project participant, Workshop on Identifying (In)definiteness,

Department of Linguistics, Yale University, Providence, RI

(Mar 29)

“Lexical nominalizations in Korean,”

Invited talk, Identifying (In)definiteness Workshop,

Department of Linguistics, Yale University, Providence, RI

2018 (Oct 26)

“Lexical and syntactic nominalizations in Korean”

Invited talk, Workshop on Korean as the Nexus of the Northeast Asian Linguistic Area, Seoul National University, Seoul, Korea

(Oct 24)

“Korean language and linguistics in the context of modern approaches to language”,

Invited talk, Department of Korean Language and Literature, Sookmyung Women’s University, Seoul, Korea

2017 (December)

Invited Plenary, English Language and Literature Society of Korea International Conference, Seoul National University, Seoul, Korea (declined)

(April 5) “Korean Language and Linguistics in the Context of Modern Approaches to Language,”

Invited talk, South Korea’s Rise: Interdisciplinary Approaches, University of Wisconsin-Milwaukee, Milwaukee, WI.

(April 4) “Lexical Integrity and the Architecture of Morphology-Syntax Interface,”

Invited talk, Department of Linguistics, University of Wisconsin-Milwaukee, Milwaukee, WI

(Mar 3) “Lexical Integrity and the Architecture of Morphology-Syntax Interface,”

Invited talk, Department of Linguistics, University of Chicago, Chicago, IL

2016 (May 20) “Binding Principles in L1-Korean L2-English Acquisition: Grammar and Processing,”

Invited colloquium, Language Education Institute and Language Research Center, Seoul National University, Seoul, Korea

(May 11) “Distributed Morphology, Lexical Integrity, and Two Types of Denominal Predicates in Korean,”

Invited colloquium, BK 21 Plus Colloquium, Konkuk University, Seoul, Korea

(April 12) “Binding Principles in L1-Korean L2-English Acquisition: Grammar and Processing,”

Invited colloquium, BK 21 Plus Colloquium, Yonsei University, Seoul, Korea

(April 8) “Binding Principles in L1-Korean L2-English Acquisition: Grammar and Processing,”

Invited colloquium, Institute for the Study of Language and Information, Kyunghee University, Seoul, Korea

(March 19) “Binding Principles in L1-Korean L2-English Acquisition: Grammar and Processing,”

Invited plenary, Spring meeting of the 21<sup>st</sup> Century Association of English Language and Literature, Chosun University, Gwangju, Korea

- (March 18) “Distributed Morphology, Lexical Integrity, and Two Types of Denominal Predicates in Korean,”  
Invited colloquium, Department of Linguistics, Seoul National University, Seoul, Korea
- (March 14-18) Week-long seminar on Morphosyntax and Syntactic Typology, Department of Linguistics, Seoul National University, Seoul, Korea
- 2014 (May) Invited discussant, 22<sup>nd</sup> Hahn Moo-Sook Colloquium on Korean Humanities, George Washington University, Washington, DC.
- 2013 (Oct) “Implications of Constraints on Null Constituents for Analyses of the Right Dislocation Construction,”  
Invited talk, 23<sup>rd</sup> Japanese-Korean Linguistics Conference, MIT, Cambridge, MA.
- (June) “Syntactic and Discourse Constraints on Reference,”  
Invited talk, School of English, Kyunghee University, Seoul, Korea
- (June) “Implications of Constraints on Null Constituents for Analyses of Right Dislocation,”  
Invited talk, School of English, Dongguk University, Seoul, Korea
- 2012 (Oct) “Investigating Mental Grammar,”  
Invited talk, Department of Foreign Languages and Literatures, Illinois State University
- (Oct) “Constraints on Null Constituents in Right Dislocation in Korean and Their Implications,”  
CUNY Colloquium on East Asian Linguistics, CUNY Graduate Center, NY.
- (Oct) “Lexical Integrity and Suspended Affixation in Two Types of Denominal Predicates in Korean,”  
Workshop on Suspended Affixation, Cornell University
- 2011 (April) ‘Two Types of Denominal Predicates in Korean and Their Implications for Unified Theories of Morphosyntax,’  
Department of Linguistics Colloquium, University of Pennsylvania
- 2009 (September-November) “The Architecture of Right Dislocation in Korean and Japanese,”  
Invited keynote, 6<sup>th</sup> meeting of the Workshop on Formal Altaic Linguistics, Nagoya University, Nagoya, Japan
- Invited talk, Korean Generative Grammar Circle (Konkuk University)
- Invited talk, Department of Linguistics, Seoul National University
- Invited talk, Brain-Korea 21 Project Distinguished Foreign Scholar Colloquium Series, Sungkyunkwan University
- Invited talk, Department of Linguistics, University of Chicago
- (September) “Approaches to the Study of Language,”

- Invited speaker, Department of English Language and Literature, Chosun University, Gwangju, Korea
- “Approaches to the Study of Language,”  
Invited speaker, School of English, Kyunghee University, Seoul, Korea
- 2008 (August) “The Lexical Integrity Principle and Korean Morphosyntax,”  
Invited keynote speaker, 2<sup>nd</sup> meeting of the European Conference on Korean Linguistics, SOAS, University of London and the Oriental Institute, Oxford University.
- (June) “The Lexical Integrity Principle and Korean Morphosyntax,”  
Invited plenary speaker, 16<sup>th</sup> meeting of the International Circle of Korean Linguistics, Cornell University and the State University of New York, Binghamton.
- (March) “Grammatical case and interpretability: revisiting the topic/focus interpretation of case particles in Korean,”  
Invited speaker, Purdue University, Program in Linguistics Colloquium.
- (Feb) “Subject and subjecthood in the Multiple Subject Construction,”  
Invited speaker, Oriental Institute, Oxford University, East Asian Linguistics Colloquium, Oxford, England.
- (Feb) “Grammatical case and interpretability: revisiting the topic/focus interpretation of case particles in Korean,”  
Invited speaker, Oriental Institute, Oxford University, East Asian Linguistics Colloquium, Oxford, England.
- 2007 (June) “Heritage speakers and heritage language education,”  
Invited keynote speaker, Annual Meeting of the North American Korean Schools Association, Northeast Chapter, New York, NY.
- (May) “Subjects and subjecthood in the Multiple Subject Construction,”  
Invited plenary speaker, 4<sup>th</sup> Formal Approaches to Altaic Linguistics (WAFL), Harvard University.
- 2006 (October) “The distribution of subject properties in Multiple Subject Constructions,”  
Invited plenary speaker, 16<sup>th</sup> Annual Japanese-Korean Linguistics Conference (JKL), Kyoto, Japan
- (July) “The distribution of subject properties in Multiple Subject Constructions,”  
Invited plenary speaker, 2006 Linguistic Society of Korea International Conference (SICOL), Seoul National University, Seoul, Korea
- (May) “Recent developments in linguistic theory,”  
Invited speaker, Department of Foreign Languages and Literatures, Illinois State University
- (March) “Elliptical NP coordination: correlation between noun phrase morphosyntax and conjunction reduction,”  
Invited speaker, Department of English Language and Literature Colloquium, Seoul National University, Seoul, Korea

- 2005 (February) "Raising and major arguments,"  
Invited speaker, Workshop on Japanese and Korean Linguistics, Kyoto University, Kyoto, Japan
- 2004 (July) "The independence of grammatical case from interpretive factors",  
Invited plenary speaker, 2004 Linguistic Society of Korea International Conference (SICOL),  
Seoul, Korea
- (July-August) "Raising and structural prominence,"  
Invited speaker, Language Education Institute, Seoul National University, Seoul, Korea  
Invited plenary speaker, Linguistic Association of Korea 2004 International Conference,  
Kwangju, Korea  
Invited plenary speaker, Modern Linguistic Society of Korea 2004 International Conference,  
Taegu, Korea
- 2003 (Aug – with Chongwon Park) "Process nominals and morphological complexity",  
Invited plenary speaker, 13<sup>th</sup> Japanese-Korean Linguistics Conference (JKL), Michigan State  
University, East Lansing, MI
- (April) "Raising and Prominence",  
Invited speaker, Department of Linguistics, Indiana University, Bloomington, IN
- 2001 (December) "Non-nominative (major) subjects in Korean,"  
Invited speaker, International Symposium on Non-nominative Subjects, Institute of the  
Languages and Cultures of Asia and Africa, Tokyo University of Foreign Studies, Tokyo,  
Japan
- (July) "What the Korean/Japanese copula reveals about the interaction of morphology and

Invited speaker, University of Pennsylvania, University of Chicago, University of Rochester
- 1988 (November): "On the Grammar of Multiple Object Constructions",  
Invited speaker, University of Delaware

### **Refereed Conference Posters and Presentations**

- 2019 (Oct – Sea Hee Choi, Si On Yoon, Andrew Armstrong, Kara Federmeier, and James Yoon)  
“An ERP study of count/mass morphosyntax in Korean,”  
Poster presentation, 27<sup>th</sup> Japanese-Korean Linguistics Conference, Sogang University,  
Seoul, Korea
- (Mar – Sea Hee Choi, Si On Yoon, Andrew Armstrong, Kara Federmeier, and James Yoon)  
“The syntactic count/mass distinction in generalized classifier languages: evidence from  
classifier processing in Korean,”  
Poster presentation, CUNY 2019, University of Colorado, Boulder
- (Mar – Sea Hee Choi, Nayoung Kim, James Yoon, and Kiel Christianson)  
“Korean verb prediction in sentence comprehension,”  
Poster presentation, CUNY 2019, University of Colorado, Boulder
- 2018 (Dec – James Yoon and Ji-Hye Kim)  
“A-scrambling and Subjecthood: An Experimental Approach,”  
Poster presentation, 31<sup>st</sup> Pacific-Asia Conference on Language, Information and Computation,  
Hong Kong Polytechnic University, Hong Kong
- (Dec – Eun Hee Kim, Haram Kim, Nayoung Kim, Haram Kim, Junghwan Maeng, Nakyung  
Yoon, and James Yoon)  
“Double Relative Clauses in Korean,”  
Paper presented at the 26<sup>th</sup> Japanese-Korean Linguistics Conference, UCLA, Los Angeles, CA
- (Jan – Eun Hee Kim, Nayoung Kim, James Yoon and Kiel Christianson)  
“Re-evaluating the garden-path effect in Korean,”  
Poster presentation, LSA Annual Meeting, Salt Lake City, UT
- 2017 (Nov – Ji-Hye Kim, Yong hun Lee and James Yoon)  
“Subjecthood and Grammatical Relations in Korean: An Experimental Study with Honorific  
Agreement and Plural Copying,”  
Paper presented at the 31<sup>st</sup> Pacific-Asia Conference on Language, Information and Computation,  
Cebu, Philippines

- (Oct – Eunhee Kim, Tania Ionin and James Yoon)  
 “Pronoun Interpretation with Referential and Quantificational Antecedents in SLA,”  
 Poster presented at the 2017 Second Language Research Forum (SLRF), Ohio State University,  
 Columbus, Ohio.
- (Mar – Eunhee Kim, Nayoung Kim, James Yoon and Kiel Christianson)  
 “Re-evaluating the garden path effect in Korean,”  
 Poster presented at 30<sup>th</sup> CUNY Conference on Human Sentence Processing, MIT, Cambridge,  
 MA.
- 2016 (Oct – Ji-Hye Kim, Eunah Kim and James Yoon)  
 “An Experimental Study of Subject Properties in Korean Multiple Subject Constructions,”  
 30<sup>th</sup> Pacific-Asia Conference on Language, Information and Computation  
 (PACLIC), Kyunghee University, Seoul, Korea
- 2015 (Oct – Ji-Hye Kim, Eunah Kim and James Yoon)  
 “Two types of multiple subject constructions (MSCs) in Korean,”  
 29<sup>th</sup> Pacific Asia Conference on Language, Information and Computation, Shanghai Jiao Tong  
 University, Shanghai, China
- (July – Eunhee Kim and James Yoon)  
 “Korean speakers’ interpretation of reflexives and pronouns in picture NPs,”  
 International Conference on Korean Linguistics, University of Chicago, Chicago, IL
- (Mar – Eunhee Kim and James Yoon)  
 “Animacy and locality in the binding of anaphors in Korean,”  
 Poster presentation, West Coast Conference on Formal Linguistics (WCCFL) 33, Simon  
 Fraser University, Vancouver, Canada.
- (Mar – Eunah Kim, Silvina Montrul and James Yoon)  
 “L2 learners’ interpretation of reflexives and pronouns in picture NPs with a possessor: an eye-  
 tracking study,”  
 Poster presentation, Generative Approaches to Second Language Acquisition (GASLA), Indiana  
 University, Bloomington IN
- 2014 (April – James Yoon, Myeong Hyeon Kim, Eunah Kim and Silvina Montrul)  
 “On-line and off-line binding properties of Korean reflexives by heritage Korean speakers,”  
 2<sup>nd</sup> International Conference on Heritage/Community Languages, National Heritage Language  
 Resource Center, UCLA
- (March – with Eunah Kim, Myeong Hyeon Kim, and Silvina Montrul)  
 On-line and off-line interpretations of multiple reflexives by heritage Korean speakers  
 Poster presentation, 2<sup>nd</sup> East Asian Psycholinguistics Colloquium, University of Chicago
- 2013 (Oct – with Eunah Kim, Myeong Hyeon Kim, and Silvina Montrul)  
 On-line and off-line binding properties of Korean reflexives by heritage Korean learners  
 32<sup>nd</sup> SLRF, Brigham Young University
- (July – with Ji-Hye Kim)  
 “TSC and Korean anaphors: an experimental study of Binding Domain and VP ellipsis in

- Korean”  
19<sup>th</sup> World Congress of Linguists (session: theoretical and comparative syntax), Geneva, Switzerland
- (Apr – with Eunah Kim, Silvina Montrul)  
“Task effects on Binding Principle B in adult L2 acquisition,”  
Poster presentation, GASLA-12, University of Florida
- 2012 (Oct – with Eunah Kim, Myeong Hyeon Kim)  
“An Experimental Investigation of On-line and Off-line Binding Properties of Korean Reflexives—Evolving Grammar of Multiple Reflexives”  
Poster presentation, 43<sup>rd</sup> North East Conference on Linguistics, CUNY, New York
- (Oct – with Ji-Hye Kim)  
“Tensed-S Condition and the Determination of Binding Domain for Anaphors in Korean”  
22<sup>nd</sup> Japanese-Korean Linguistics Conference, Tokyo, Japan
- (Oct – with Eunah Kim, Myeong Hyeon Kim)  
“An Experimental Investigation of On-line and Off-line Binding Properties of Korean Reflexives—Evolving Grammar of Multiple Reflexives”  
22<sup>nd</sup> Japanese-Korean Linguistics Conference, Tokyo, Japan
- (June – with Eunah Kim)  
“Online Interpretation of Reflexives and Pronouns in English as a Second Language: How Much Are They Constrained by Grammar?”  
1<sup>st</sup> World Congress of Scholars of English Linguistics, Hanyang University, Seoul, Korea
- (May)  
Right Dislocation in Korean and Japanese: A Case Against Movement-and-Deletion  
Poster presentation, 8<sup>th</sup> Workshop on Altaic Formal Linguistics, University of Stuttgart, Germany
- 2011 (March - Silvina Montrul, James Yoon, and Eunah Kim)  
“The On-line Processing of Binding Principles A and B in L2 Acquisition: Evidence from Eye Tracking,”  
Poster presentation, CUNY 2011: 24<sup>th</sup> Annual Conference on Human Language Processing, Stanford University
- 2010 (Nov - with Eunah Kim and Silvina Montrul)  
“The On-line Processing of Binding Principles A and B in L2 Acquisition: Evidence from Eye Tracking,”  
35<sup>th</sup> Boston University Conference on Language Development, Boston University
- (Sept – with Eunah Kim and Silvina Montrul)  
“The On-line Processing of Binding Principles A and B in L2 Acquisition: Evidence from Eye tracking,”  
4<sup>th</sup> Generative Approaches to Language Acquisition North America (GALANA) Conference, University of Toronto.
- (July)  
“Root vs. words in denominal predicate formation,”

- 17<sup>th</sup> meeting of the International Circle of Korean Linguistics (ICKL), University of the Humanities, Ulanbaatar, Mongolia
- 2009 (December – with Ji-Hye Kim)  
 “An experimental syntactic study of binding: A case study of Korean long-distance anaphor ‘caki’ ,”  
 23<sup>rd</sup> Pacific-Asia Conference on Language, Information, and Computation (PACLIC), City University of Hong Kong, Hong Kong
- (March – with Ji-Hye Kim)  
 “Understanding exempt binding by Korean heritage speakers in US and in China,”  
 10<sup>th</sup> Generative Approaches to Second Language Acquisition (GASLA), University of Illinois, Urbana-Champaign
- 2008 (July – with Wooseung Lee)  
 “RNR constructions in Korean revisited,”  
 6<sup>th</sup> International Conference of Cognitive Science, Seoul, Korea.
- (July – with Ji-Hye Kim)  
 “An experimental syntactic study of binding of multiple anaphors in Korean: how speakers manage the problem of ‘too many’ anaphors,”  
 6<sup>th</sup> International Conference of Cognitive Science, Seoul, Korea.
