# UIUC Library Structure

---

- Departmental System
  - 34+ different libraries with physical spaces
  - Many more virtual/embedded libraries
  - + Administration, Facilities, Acquisitions & Cataloging, InfoLit, etc...

# Products/services we use

---

- ILS migration last summer
  - Voyager/vuFind > Alma/Primo
- Springshare used for many services
- Supplement these products with our own (EasySearch/Bento, JALT)

# Databases

---

- 1,014 Databases
  - + Trial subscriptions
- Much of the indexing in our databases is duplicated into the catalog
- Split holdings model (ebook/print)
  - All electronic resources are now combined
- Basic Research Methods for Librarians

# Current Awareness/ProfDev

---

- Always important to stay up to date
- Primo
- LISS/Ebsco RSS
- Google Scholar
- ISVL: Professions & Careers
  - Prof Organizations
  - Meetings & Conferences
- <https://guides.library.illinois.edu/currentawareness>
