Webinar: From Refugee to Librarian: In our own words

Date/Time: June 18th, 12-1 pm CST
Moderator: Clara M. Chu, Director, Mortenson Center for International Library Programs, University of Illinois at Urbana-Champaign Library

Abstract:
As librarians we have worked to create welcoming spaces and services for refugees. We have learned about them in order to support their resettlement and integration. The refugee stories we read about come from the communities we serve. How about the refugee stories that come from our own professional and academic community? In this webinar, we give voice to refugees who have become librarians or library educators. They will share their journey from persecution to resettlement to professional career, giving the listener a glimpse into their experiences of struggle, resilience, hope and belonging.
