

Department of Bioengineering Fall 2014 Major and Minor Sessions

Are you interested in finding out more information about the exciting field of Bioengineering? The Department of Bioengineering offers opportunities for students to transfer into the major as well as minor. Come and meet the Undergraduate Advisor, Kerri Green, as she explains the curriculum, the process for transferring and declaring the Bioengineering minor, as well as answers your questions

Bioengineering Major/Minor Info Meetings

Location: 1265 Digital Computer Lab

11am – 12pm Wednesday, September 17th

3pm – 4pm Monday, October 13th

1pm – 2pm Tuesday, November 11th

There will be Intent to Pursue a Campus-Approved Minor forms available if you decide this minor is right for you.

If you are unable to attend one of these meetings, please visit the Bioengineering website for more information regarding how to transfer:
