CHORAL ENSEMBLES AND VOCAL OPPORTUNITIES

Choral ensembles for beginning through advanced singers are available for credit. Placement auditions are held during the first week of the fall semester. For those wishing to join in the second semester, auditions may be arranged on an individual basis.

The **Lyric Theatre** division produces fully staged performances of opera, operetta, and musical theatre. Auditions are held at various times of the year for specific productions.

Voice Lessons for college credit are also available based on audition.

ORCHESTRAS

Any student wishing to be considered for the **U of I Symphony Orchestra** must audition using the published excerpts.

String players who are not music-majors may play two contrasting movements or excerpts (about 5 minutes of material) for placement in either the **Philharmonia** or the **Illini Strings**.

CONCERT BANDS

Any student wishing to be considered for the **Illinois Wind Symphony** or the **Wind Orchestra** requires an audition using the published excerpts for the "Unified" audition.

Placement in the **Hindsley Symphonic Band** or **University Concert Band** is also by audition but requires only a chromatic scale demonstrating your range, two scales of your choice, and a two-minute solo, etude or excerpt of your choice.

ATHLETIC BANDS

Auditions for the Marching Illini are held at various times throughout the spring semester for the following fall. Visit the Bands website (bands.illinois.edu) for complete information.

Auditions for the **Basketball** or **Volleyball Bands** occur during the first week of classes in the fall semester. Visit bands.illinois.edu for audition information.

JAZZ ENSEMBLES

Auditions for all jazz ensembles are held during the first week of classes in the fall semester. Audition requirements vary by instrument, but generally include some improvisation and sight-reading.
