

SLAV 277 AND CWL 277 SLAVIC LITERATURE SURVEY: INTRODUCTION TO CZECH CULTURE

SPRING 2015
MWF 2-2:50 pm

STRČ PRST SKRZ KRK!

This course will acquaint students with Czech culture and history from its emergence in the 10th century, to the end of communism in 1989, and beyond. The class places an emphasis on major Czech literary, film, musical, and culinary contributions in the context of distinct historical periods within this time frame. It also examines the history and larger idea of a Central European culture and provides insight into its relationship with 21st century American culture.
