

# INFO SESSION: PORTUGUESE MAJOR/MINOR

A major or minor in Portuguese opens doors for your personal and professional development during and after your time at Illinois. We are here to assist you in gaining a strategic advantage and preparing for a **Global Career!** What are you waiting for?

**From agriculture to education, business to global studies, anthropology to engineering**, members of our community combine their skills with our practical linguistic, cultural, and area studies focus to broaden and enhance their fields of expertise. The Portuguese and Brazilian Studies program offers a wide variety of courses in both Portuguese and English, allowing students to advance quickly toward a **second major** or a **minor**.

**Anyone interested in studying or working in/with Latin America should consider Portuguese as *integral* to his or her profile.**
