Smokefree and Tobacco-Free U.S. and Tribal Colleges and Universities

July 1, 2019

There are now at least **2,375** 100% smokefree campus sites. Of these, **2,009** are 100% tobacco-free, **1,986** prohibit e-cigarette use, **1,019** prohibit hookah use, **450** prohibit smoking/vaping marijuana, and **NEW!** **495** explicitly apply all tobacco protections to personal vehicles on campus.

The following three lists include colleges and universities with **entirely** smokefree campus sites (both indoors and outdoors) at a minimum (additional 100% protections -- E-cigarettes, hookah, and/or marijuana -- are indicated where applicable):

1. American Indian/Alaska Native Colleges Requiring 100% Smokefree Campuses
2. U.S. State Laws Requiring 100% Smokefree Campuses
3. All: Both lists above, plus U.S. College/University 100% Smokefree Campus Policies

Visit our Smokefree Colleges & Universities resource page at <https://no-smoke.org/at-risk-places/colleges/> for more information. To learn about our specific qualification criteria, see our Tip Sheet: <https://no-smoke.org/colleges-universities-list-criteria/>.

These policies have been enacted but are not necessarily yet in effect. Please contact the school itself to verify the status of its policy. Note that some multi-campus educational systems adopt a centralized policy that applies to all campuses; other systems allow each individual campus to adopt its own policy.
