Draw your own flea!

1. Draw a circle for the flea’s head.

2. Draw an oval for the flea’s thorax.

3. Draw a big circle for the flea’s abdomen.

4. Draw the flea’s legs. Make sure the hindleg is long so the flea can jump!

5. Cut out your flea along the outer lines (shown in red) and flip over.

6. Draw an eye, mustache, and body lines on your flea.
