

Writing assignment 4

Context: In weeks 9 and 10, we learn about fruits, vegetables, and different dishes in the Senegalese culture. We also have talked about our individual preferences, likes and dislikes about various food items and dishes from different cultures.

Task: Write a report of about 150 words about:

1. What we have done as a class, what you individual preferences, likes, and dislikes
2. The dish you prepared for the presentation, why you select that particular dish
3. The main ingredients you need to prepare the dish and your general feeling about the dish ☺
