Women in Engineering Programming Presents:

Girls Adventures in Math, Engineering, and Science (GAMES) Camp

At the University of Illinois Urbana-Champaign

GAMES Camp is an annual one-week residential program for academically-talented high school girls to explore math, engineering, and science through demonstrations, classroom presentations, hands-on activities, and contact with women in these technical fields.

GAMES Camp allows girls to focus on one of the following engineering disciplines to allow for a deeper understanding of that field.

For Camp Dates of June 19-25, 2016:
- Chemical Engineering (9th-12th)
- Computer Science (9th-12th)
- Electrical Engineering (10th-12th)
- Mechanical Engineering (9th-12th)

For Camp Dates of July 10-16, 2016:
- Aerospace Engineering (9th-12th)
- Bioengineering (9th-11th)
- Environmental Engineering & Sustainability (10th-12th)
- Material Science & Engineering (10th-12th)
