ADVISING NOTES

1 Students with credit in MATH 220/221 - Calculus I will need to complete a second math course, typically MATH 125. Students with credit in MATH 220/221 - Calculus I and MATH 231 - Calculus II have completed the math sequence requirement and will not enroll in MATH 125.

2 Students with credit in MATH 220/221 - Calculus I do not need to enroll in MATH 234.

3 FIN 221 and ECON 302 must be completed prior to ACCY 303. BADM 310 must be completed prior to ACCY 304.

4 BTW 250 is recommended to complete the Advanced Composition requirement for potential CPA Exam candidates.

5 Students pursuing the Audit Option in the BS-MAS Program should complete ACCY 405. Students pursuing the Tax Option should complete ACCY 415. Undecided students may select ACCY 405. Students must be enrolled in the Initial Stage of the BS-MAS Program in order to enroll in ACCY 405.

6 It is recommended to complete both ACCY 410 and ACCY 451 during the fourth year for undergraduate credit. However, if a student is unable to complete both courses during the fourth year, it is possible to move *one* of either ACCY 410 or ACCY 451 to the MAS year. Students pursuing the Audit Option should complete ACCY 410 during the fourth year. Students pursuing the Taxation Option should take ACCY 451.

7 FIN 300 is now optional for students in the BS-MAS Program. The course is required for students who wish to pursue the Finance Concentration within the MAS or take other graduate level Finance courses. FIN 300 is one of the prerequisites for ACCY 511, an elective in the MAS program.

8 BADM 403 is recommended for CPA Exam preparation. Effective spring 2016, BADM 403 will be offered online.

9 The CPA Review is offered as ACCY 398 - Practical Problems in Accounting. This class does not complete any BS or MAS degree requirements. An additional fee is charged for this course that is reimbursed by many employers.

10 Students enrolled in the Audit Option who do not take ACCY 451 during the fourth year will be required to complete it as part of the MAS Program.
